Tata Crucible Business quiz

Tata Crucible Business quiz is all set to hit corporates across Hyderabad with its 10th edition on August 31.

As per the rules of the quiz, each team will comprise two members from the same organisation. Team composition cannot change once the prelim has been taken. Any number of teams from the same organisation can take part in the quiz.

The participating teams will go through a preliminary written elimination round. The top four teams from the written prelims will qualify for the regional stage rounds. If there are large numbers of teams participating, two more teams will be selected from one or two wild card rounds. The rules for this will be explained by the quizmaster at each venue. In all, six teams will make it to the regional finals.

The top six teams from the written prelims will qualify for the regional stage rounds. The regional winners from each of the cities will participate in the zonal finals in their respective zones. The top two teams from each zonal final will participate in the national finals to be held on October 13 in Mumbai. Entry is free.

The quiz master for the contest will be Giri Balasubramaniam aka 'Pickbrain'.

The winners of the national final will receive a higher grand prize of Rs 7,00,000 along with Tata Crucible Trophy, while regional winners and runner-ups will receive increased prizes of Rs 1,00,000 and Rs 50,000 respectively.
